Sub.: Launch of SATHEE Portal on 21st November, 2023 by Ministry of Education for students to prepare for the competitive exam.

Sir,

Ministry of Education is launching SATHEE Portal for students to prepare for the competitive exam on 21st November, 2023 at 5 p.m. onwards.

The aim of the Platform is to revolutionize the educational landscape by providing a comprehensive and accessible platform for students to prepare for the competitive exam. The platform will also allow the students to participate in the SATHEE crash course.

The complete details are stated in enclosed letter no. F. No. DONo.8-18/2023-TEL dated 15-11-2023 received from Ministry of Education.

The SATHEE portal web URL is <https://sathee.prutor.ai/>

It is requested that all KVs will register on SATHEE portal by 18-11-2023.

D.O. No-8-18/2023-TEL

Dated: 15th November 2023

Respected Madam

We would like to inform you that the Department of Higher Education in collaboration with IIT Kanpur is launching the SATHEE Platform on 21st November 2023 from 5:00 pm onwards. Sh. K. SANJAY MURTHY, Secretary of Higher Education at the Ministry of Education, Government of India, will chair the event.

2. The aim of the Platform is to revolutionize the educational landscape by providing a comprehensive and accessible platform for students to prepare for the competitive exams. Aligned with the National Education Policy, SATHEE integrates advanced features, including mentoring and live sessions by renowned faculties from institutions like IITs and AIIMS, an AI/ML-based assessment forum, video lectures by IIT faculty, a collaborative discussion and problem-solving forum, and an extensive e-learning repository, providing a holistic and technologically advanced learning experience for students.
3. The platform will also allow the students to participate in the SATHEE crash course, thoughtfully designed for empowering students to optimize their preparation for JEE, enhance their performance, and increase their chances of securing admission in top engineering institutions. The Crash course condenses the vast syllabi into focussed and intensive subject-wise content, curated by the IIT Faculties. Additionally, the crash course will serve as a confidence booster by addressing specific doubts and weaknesses.
4. Kendriya Vidyalayas Sanghathan (KVS) is a huge organisation comprising of 1255 schools known for their high-quality education, discipline, academic excellence, and extracurricular activities at affordable fees. Kendriya Vidyalayas students enthusiastically engage in these examinations and successfully pass them as well.
5. Therefore, Kendriya Vidyalayas Sanghathan is requested to disseminate information about SATHEE portal and live streaming of Crash course to be organised at KV schools where students are interested to compete for JEE in future. Sathee portal web URL is <https://sathee.prutor.ai/>
6. The minute-to-minute program of the event is annexed. The link of the meeting will be shared in the due course.

Looking forward for your kind cooperation and participation.

Yours' Sincerely,

(Govind Jaiswal)

To

Ms. Nidhi Pandey,
Commissioner, Kendriya Vidyalaya Sangathan
